

# Mountain View Newsletter

## April 26, 2017

**Friday, April 28.....Kindergarten Orientation, 3:30 in the Auditorium**  
**Tuesday, May 2.....Parents and Pastries Meeting, 8:30, Room 182 in CLC**  
**Friday, May 12.....Deadline to Enter Mountain View Art Contest**

### Principal's Message

This Friday, April 28, we will be holding the kindergarten orientation meeting for all parents of children who will be five years old by September 1. Kindergarten teachers will share schoolwide and kindergarten expectations, as well as what children and their parents can practice to be most prepared for kindergarten. Please tell all of your friends and family who live within Mountain View boundaries and have a child who is of age to come to kindergarten in the fall. We hope to see many attend.

### Mountain View Art Contest

This spring we are holding an art contest. The theme of our art contest is "Live the Golden Rule." The Golden Rule is to treat others the way you want to be treated. Students can enter art in the following categories: dance, choreography, literature, music composition, photography, and visual arts. Students will enter one of two divisions, pre-k through second grade or third through fifth grade. To enter, students must submit their artwork to their classroom teacher by the end of the school day on May 12<sup>th</sup>. We want everyone to know about it now so they have adequate time to work on their entry. If you need more information, or another copy of the requirements you may see Mr. Elliott in Room 102 or you may inquire at the main office.

### Principals and Pastries Meeting

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Principals discussion will be held in the Community Learning Center on Tuesday, April 18 at 8:15. We hope to see you there.

### Utah Great Shake Out

This past week we practiced what to do in case of an earthquake. All students were taught to get under their desks or tables, and cover the back of their heads with their hands. Adults, as you are visiting Mountain View, know that if an earthquake occurs, you are encouraged to find a table or a doorway to take cover. Make sure you stay away from windows, so you don't have glass shatter on you. Our teachers and students did a great job reacting safely and responsibly. Thank you to all who helped with our earthquake drill.
