Tuesday, April 12.....Parents and Pastries, 8:15 a.m., CLC Room 183
Tuesday, April 19.....Summer Kindergarten Readiness Registration

Parents and Pastries

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Pastries discussion will be held in the Community Learning Center on Tuesday, April 12, at 8:15 a.m. We hope to see you there.

Mountain View Virtuosos Program

Some of our first grade and second grade students have been learning musicianship and violin from master teachers after school since the beginning of the school year. We have called them the Mountain View Virtuosos. You will have the opportunity to attend their performance in our auditorium at 5:00 p.m. on April 12. We especially invite any parents with a child in kindergarten, because you will learn on this night about how your child can be a part of this program next year.

Pre-Kindergarten Registration

On **April 7, 8 and 11** we will begin registration for the Early Childhood **full-day** Pre-Kindergarten program. Registration will be held at our office, located at the **Glendale/Mountain View Community Learning Center, 1388 South Navajo Street**, from 8:30 a.m. to 6:00 p.m. **After those dates, registration is ongoing** during regular office hours, 8:00 a.m. to 4:30 p.m. until classes are full.

The 2016-2017 Pre-Kindergarten full day options are again available at Mountain View. This Early Childhood program is designed for children who turn four-years-old by September 1, 2016. Students attend Pre-K during regular school hours, 4 days a week, Monday to Thursday. Parents pay monthly tuition of \$150.00, or may have a reduced rate that is determined on a sliding scale when parents present their 2015 tax information.

District data supports the effectiveness of this high-quality Pre-Kindergarten program, and shows that early intervention pays dividends later in school and life. This full day program has shown to improve mobility, attendance, and assessment scores.
