Monday, December 21-January 3.....No School, Winter Recess
Monday, January 4.....School Resumes
Thursday, January 7.....School Community Council
Tuesday, January 12.....Parents and Principals Meeting

Principal's Message

In an effort to reinforce school attendance in a positive way, our school counselor, Miss Cassie, has created bulletin boards to track the days that classes have had all students arrive on time. As the stickers are placed on the tracker, classes can earn fun events such as extra recess. We are trying every way we can think of to approach the need to improve our students' attendance in a positive way. Our school is still struggling with tardies. This past Friday, over 11% of our students were tardy. This causes disruptions in the classroom, and it is instructional time that is lost to the tardy students. Please do all you can to help your children arrive to school by 7:55, which is when the first bell rings. Thank you for your help.

Parents and Principals

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Principals discussion will be held in the Community Learning Center on Tuesday, January 12, at 8:15 a.m. We hope to see you there.

Holiday Music Show for Parents

On December 18 all parents and family members are invited to see their children perform musical songs that help us celebrate the holiday season. All of the grade levels will come through to sing for you! The show will begin at 8:30, so please be in your seats in the auditorium before that time.

America First Credit Union Gives Generous Donation

Mountain View Elementary would like to thank America First Credit Union for generously donating \$2,000.00 through their 100% for Kids Foundation. This grant was applied for and received by Mrs. Kathy Gilmour, our Extended Learning Program teacher, and her students. These funds will go toward technology in the Extended Learning Program classroom.
