**Tuesday, February 28.....Student/Educator/Parent Conferences**  
**Thursday, March 2.....Student/Educator/Parent Conferences**  
**Friday, March 3.....No School, Educators Attending Professional Classes**

### Principal's Message

I want to remind everyone of the opportunity to meet with your child's teacher next week for conferences. You will be able to hear about what your child has been learning. You will be able to learn what your child's strengths are at school, and you will be able to participate in helping your child make a goal to work on for the rest of the year. We will have report cards printed for you, so you can discuss them, as well. If you have not signed up yet, please contact your teacher to discuss a time you could meet with them. Thank you for caring enough about your children to take the time to meet with their teacher.

While you are here, we are asking that you please help our school by filling out a survey. This survey will ask you a few questions about your child's teacher, the school, and the principal. It will give you the opportunity to celebrate what you love about your teacher and school, and to give suggestions for how we might improve our school. While you are in our building for student/educator/parent conferences, we would appreciate you stopping by our computer lab for just a few minutes to fill out this survey on the computer. We appreciate you taking the time to provide feedback.

### Uniform

We are seeing many students who are not wearing the school uniform. As a reminder, students should be wearing any combination of blue, white, and khaki. We have recently amended the uniform to include blue denim. We have also approved a change that will allow students to wear any clothing that represents a university. We are focusing on having a college culture. We want students to see themselves as future university students. Any article of clothing that represents a college or university is welcome at Mountain View any day of the week.

### Parents and Pastries

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Principals discussion will be held in the Community Learning Center on Tuesday, February 28 at 8:15. We hope to see you there.
