Principal's Message

This month we are focusing on kindness. The adults in the building are watching for students being kind, and will be handing out "Kindness Matters Tickets" to students who exhibit kindness during February. Students who turn in their tickets have the chance to win prizes in a drawing.

February is a month that we traditionally express love and appreciation to others. I would like to take the opportunity to thank all of the teachers and staff who work at Mountain View. They take care of the educational and emotional needs of your children while they are at school. They work many hours that the students don't see. I thank them all from the bottom of my heart. You have the opportunity to show our teachers love this month by participating in our supply drive. Currently, we are accepting dry erase whiteboard markers. If you can, and wish to participate, you may drop off markers in a box that is in the office. Thank you in advance for your generosity and kindness.

Indoor Recess

Winter weather conditions and poor air quality can lead to the decision of indoor recess. If the temperature is below 20 degrees Fahrenheit, if there is heavy rain or snow, or if the air quality is poor, students will be kept indoors. We encourage teachers and students to engage in physical activity while having indoor recess.
