Principal's Message

Happy New Year to you all! A new year brings opportunity for new beginnings, a chance for us to improve what we would like to make different in our lives. It is also a time for reminding ourselves what we are committed to throughout the year.

As faculty and staff we will be reminding our students and ourselves what the school expectations are, and what it looks like, sounds like and feels like to exhibit those expectations. Our school expectations are that Mountain View Eagles are safe, respectful, responsible, and caring. There are many ways to follow these expectations, which can earn you Star Bucks that can be spent at the Star Store or a Principals 200 sticker which will be sent home on a postcard and gives the student the chance to participate in a fun activity with the principal.

Thank you for helping us remind your children of the school expectations, and how they make the school a safer, happier place to work and learn.

Parents and Pastries

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Principals discussion will be held in the Community Learning Center on Tuesday, January 24 at 8:15. We hope to see you there.

Help Needed

We are currently looking for a new P.E. paraprofessional instructor to lead our P.E. classes throughout the week. Applicants need to be able to prepare lessons, and be able to manage dozens of students. The position is for 29.5 hours a week and requires an associate's degree or higher.

We are also looking for help to supervise lunch recess each day. Applicants must be willing to work outside in temperatures between 20 degrees and 100 degrees, and work with others to supervise hundreds of students at recess. This position would be 8.5 hours a week.

If you are interested in either of these positions, please inquire at the office.
