### Principal's Message

This month we will be holding parent/teacher conferences to give teachers, students, and parents an opportunity to celebrate growth and to set goals to work on together. Thank you in advance for caring for your children enough to come to this event. It is a valuable opportunity to work together for the best education of your children.

### Parents and Principals

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Principals discussion will be held in the Community Learning Center on Tuesday, January 26, at 8:15 a.m. We hope to see you there.

### Books

Students are responsible for books taken home from school. When students damage or lose books or other school property, parents will be expected to pay to have the item replaced.

### Clothing Labels

Each year many items of clothing are left at school and cannot be returned because there are no owners' names on the items. Please protect the investment you make in your children's clothing by labeling each item clearly with a laundry marker.

### Checking Students Out of School

We have been working hard to promote students coming to school on time every day. Our school has a lot of students who are tardy. When any amount of school is missed it is disruptive to the student who missed school, and it is a disruption to the student's peers and teacher. It is also a difficulty for students who are checked out of school early. Please make sure you only check a student out of school early in cases when it cannot be helped. Checking a student out because a parent wants to beat the traffic is not an acceptable reason. Instruction is taking place every minute they are in class, and students need to be there as much as possible. Thank you for your help in this matter.
