Tuesday, March 8.....Parents and Pastries, CLC Room 183 at 8:15 a.m.

Monday, March 21-Friday, March 25.....No School, Spring Break

Principal's Message

I would like to congratulate our fourth grade students. Mountain View had the highest percentage of students score proficient on the latest science interim of all schools in our school district. We are proud of the efforts of our teachers and students, and are excited for the scientists our students are becoming.

Parents and Pastries

The principals would love to meet you, share what is new at Mountain View, and answer any questions you might have. Our next Parents and Pastries discussion will be held in the Community Learning Center on Tuesday, March 8, at 8:15 a.m. We hope to see you there.

Fresh Fruits and Vegetables Program

We are thankful to the Utah State Office of Education for providing funding for Mountain View to participate in the Fresh Fruits and Vegetables Program. This program pays for students to have a healthy snack on Tuesdays and Thursdays. It also introduces our students to fruits and vegetables they may be unfamiliar with, allowing them to try new foods and learn about their benefits to our bodies.

Ballet West Assembly

On February 23 performers from ballet west came to our school to teach our students more about ballet. They taught us about ballet positions, costumes, props and production. Some of our students were chosen to come on stage and try to do what the dancers were doing. Then the dancers performed a portion of the famous ballet, The Nutcracker. Our students and staff really enjoyed the experience. Thank you, Ballet West, for sharing your talents with us.
