

# Mountain View Newsletter

## March 22, 2017

**Tuesday, March 28.....Parents and Pastries Meeting, 8:30 in the CLC**  
**Monday, April 10-Friday, April 14.....No School, Spring Break**

### **Principal's Message**

This past week our students attended an assembly that was put on by Netsmartz, an organization dedicated to teaching children to be safe while on the internet. We thank the Utah Attorney General's office for sponsoring and supporting this assembly. Our students learned important things like not giving others your personal information while online, to tell a trusted adult when something you see online makes you feel scared or uncomfortable, and to never participate in cyberbullying. Please take the time to talk with your children about being safe while online. The internet is a wonderful tool to learn and discover things about our world. When used appropriately and safely, the internet can provide learning, entertainment, and connections. Let's all make sure that learning, entertainment, and connections are appropriate and safe. Our children's happiness is worth it.

### **Mountain View Art Contest**

This spring we are holding an art contest. The theme of our art contest is "Live the Golden Rule." The Golden Rule is to treat others the way you want to be treated. Students can enter art in the following categories: dance, choreography, literature, music composition, photography, and visual arts. Students will enter one of two divisions, pre-k through second grade or third through fifth grade. To enter, students must submit their artwork to their classroom teacher by the end of the school day on May 12<sup>th</sup>. We want everyone to know about it now so they have adequate time to work on their entry. There is information about the requirements of the contest coming home with this newsletter. If you need more information, or another copy of the requirements you may see Mr. Elliott in Room 102 or you may inquire at the main office.

### **Uniform**

We are seeing many students who are not wearing the school uniform. As a reminder, students should be wearing any combination of blue, white, and khaki. We have recently amended the uniform to include blue denim. We have also approved a change that will allow students to wear any clothing that represents a university. We are focusing on having a college culture. We want students to see themselves as future university students. Any article of clothing that represents a college, university, or post-high school educational institution is welcome at Mountain View any day of the week.
