Mountain View Newsletter

Principal's Message

I would like to use the newsletter to take the opportunity to thank Williams Company, a long-time business partner of Mountain View Elementary. They recently generously donated \$10,000 to our school to support instruction and the development of students. Several employees at Williams and their spouses also serve as volunteers at Mountain View. We are grateful to them and declare them to be Mountain View heroes. Thank you, Williams Company for being so generous with your time and resources.

I recently met another Mountain View hero named Zeke. Last year Zeke came to our school to perform for a benefit concert that benefitted our Mountain View Virtuosos so that we could continue to have free music and violin classes to interested students. His violin performance was nothing short of amazing! I've never seen anyone work a violin like he did. Last year, he personally donated funds to support our music classes. He is a young teenager who has a passion for music and for supporting others to learn music. Recently he discovered dozens of underused violins in disrepair. Zeke raised the money to have the violins repaired, and brought them here to Mountain View for our students to use. I am in awe of the level of kindness and care he showed to our students and our school. Zeke, you are also a Mountain View hero.

If you know of a Mountain View hero who has done anything, big or small, that made Mountain View a better place, or inspired you, please share that information with me, so we can celebrate them.

Blocked Entrance to Parking Lot Before and After School

As we continue to seek for students arriving and departing school in the safest ways, we have discovered that if we block the main entrance to our parking lot, it creates less congestion and safer passage for our students. If you are dropping students off or picking them up in a vehicle, please use the entrance in the front of the school and use the right hand side to drop off and the left side to pass. Please avoid parking in red zones to take children inside the school. Also, please remember we have a drop off/pick up zone on the west side of the school that is helping to reduce congestion in the main parking lot. It is a great alternative.

Parents and Pastries

Every Friday morning parents have an opportunity to learn about the education system, meet school faculty and staff members, and discuss important issues in their children's schooling experience. We invite you to come on Friday to be a part of these discussions. We will meet at 8:15 in the Community Learning Center Room 182. If you need help finding it, our office staff will be happy to point you in the right direction. See you there!

School Community Council

School Community Council (SCC) will meet on the monthly in the CLC. SCC meetings are open to the public.
