Principal's Message

I want to thank those who came to our School Community Council meeting this past Friday. The voices of parents who care contribute to keeping our school great and contributing to making it even greater. We appreciate your input and investment. Our parent members are Viridiana Cardenas, Nichole Swink, Yesica Torres, Amy Jordan, Osman Osman, and Miriam Landeros. You can approach any of these parents with concerns or questions related to Mountain View, and they will represent you at School Community Council.

Halloween Scare Fair

We are excited to announce the Halloween Scare Fair that will be held on Friday, October 25 from 3:00 to 6:00 pm in the Community Learning Center. There will be health screenings, community health resources, activities for children, a photo booth, and trick-or-treating. One of the most exciting aspects to this event is that you and your family can come get flu vaccinations for free! Those will be available while supplies last between 12:00 and 6:00 pm. The recipients of the vaccine must be at least seven years old. We encourage all to participate. Being sick costs families money, time, and stress. Avoid the illness in your home by being vaccinated. We want to thank Walgreens, Salt Lake Education Foundation, and the Association for Utah Community Health for making the event and vaccinations possible.

Halloween Fun on October 31

I have fielded a few questions regarding Halloween. On October 31 we will have a full day of school. Students can bring their costumes to school, and we will hold a parade for students to show their costumes and see the costumes of others. The parade will be held at 1:30. **Please allow the parade to flow smoothly without taking students out for pictures.** Students will be able to pose for pictures at the end of the parade and after school. Please be aware that we have some young students who may scare easily. Please make sure that your child's costume is not scary or bloody, and that they don't bring any real or fake weapons, even if they go with the costume. Masks and hoods will only be allowed during the parade and must be taken off before and after the parade. Parents are welcome to the parade, and are expected to follow the school expectations of being safe, respectful, responsible, and caring while on campus.
